Natural and Earthy

Hand-formed from NativeStone, a combination of natural jute fiber and cement, the eco-friendly Avalon tub is available in ash, slate, and pearl finishes. The 62" tub (shown in ash) retails for \$7,495. From Native Trails, (800) 786-0862, nativetrails.net

Neo Tiffany

The Aura pendant is meticulously hand-built of ivory art glass tiles soldered into a bronze framework, then finished with an antique bronze patina. The open-center pendant measures either 30" or 36" wide. Inquire for pricing. From Lamps by Hilliard, (707) 826-1545, hilliardlamps.com

Textiles with Pedigree

Reminiscent of English Arts & Crafts textiles by way of the Italian Renaissance, Venusta is an upholstery-weight fabric from the Hearst Castle Collection. It's shown with Tulis, a solution-dyed outdoor upholstery fabric from the Doris Duke Collection. Both sold to the trade. From Pindler & Pindler, (800) 669-6002, pindler.com

Bracketology

Once painted, these high-density polyurethane brackets are indistinguishable from wood but last far longer. The brackets are factory primed and measure 24" high x 18 1/2" deep x 4" wide. They're \$109.83 each. From Fypon, (800) 446-3040, fypon.com
