## Native Trails Unveils Carrara Marble Inset Cuzco Vanities at IDS Toronto in Booth #024

*Other releases include additional handcrafted NativeStone™ products and new copper trough collection*

**January 21, 2015 - SAN LUIS OBISPO, CALIF.** – Native Trails, the eco-chic California company known the world over for its magnificent artisan-made kitchen and bath products, will feature new products, including a Carrara marble inset bathroom vanity added to its Cuzco vanity line, a new NativeStone sink design, a copper trough sink from an entirely new collection and a new finish of the popular Bordeaux Wall Mount vanity at this year's Interior Design Show (IDS) in Toronto (booth #024) Jan. 22-25, 2015.

### Cuzco Collection

The Cuzco Collection showcased at IDS includes vanities and complementary mirrors. Vanities are made of forged iron, with insets in multiple finishes, including hammered copper, brushed nickel, and new for 2015, Carrara marble. On trend with today's larger master baths, Cuzco vanities come in widths up to 72", becoming a beautiful focal point in the home. Both the 60" and 72" vanities feature two push-to-open drawers.

### NativeStone™

Native Trails' NativeStone™ concrete sinks are a breakthrough combination of natural jute fiber and cement that showcases the beauty of cement without the weight or tendency to stain. At IDS, Native Stone showcases its new Palomar Vanity Top with Integral Sink.

### Trough Collection

Also for 2015, Native Trails adds a new collection of copper trough sinks. The new hand hammered copper trough sinks, made by artisans from recycled copper, offer a trough-shape sink in the Native Trails signature copper finish.

### Bordeaux Wall Mount Collection

Native Trails adds a new finish for its award-winning Bordeaux Wall Mount, Anvil. American-built, the Bordeaux wall mount reincarnates an authentic piece of California's wine country and repurposes it into a beautifully functional wine barrel for a bathroom vanity or wetbar.
