## The Luxury Showerbath

The latest in modern comfort may hide behind fittings that resonate with the past. **By Mary Ellen Polson**

### **6. HAND BRUSHED**

The artisan-crafted Avila bath sink is forged of high-quality recycled copper, hand dipped in nickel, and brushed by hand. It takes thousands of hammer strikes to create this one-of-a-kind, functional work of art. \$1,125. Native Trails, (800) 786-0862, [nativetrails.net](http://nativetrails.net)
