

NATIVE TRAILS LAUNCHES ECO-FRIENDLY SOLACE COLLECTION OF BATH VANITIES AND MIRRORS

New Releases are Beautifully Handcrafted from FSC Certified Oak

San Luis Obispo, CA (July 2019) -- [Native Trails](#), a premier manufacturer of responsibly-crafted kitchen and bath products handmade by artisans, is delighted to announce the release of its latest bathroom furniture and decor offerings – a striking oak vanity series with coordinating mirrors. These new products bring a unique transitional aesthetic to the bathroom, and are made with Forest Stewardship Council (FSC) certified oak, reflecting the brand’s commitment to making a positive environmental and social impact throughout its manufacturing process.

“Using responsibly sourced materials has always been a standard here at Native Trails,” said Naomi Neilson, Founder and CEO. “These beautifully made pieces are the result of our company’s passion for creating products that further extend our vision of merging artisan craftsmanship with sustainability and modern design.”

Solace 48" Vanity, Solace Mirror with Shelf in Sunrise Oak (left), Solace 30" Vanity in Midnight Oak (right)

The [Solace Vanity](#) features solid oak paired beautifully with cool NativeStone® to create a transitional bathroom centerpiece. Full-extension drawers with soft-close slides, and an artisan-crafted NativeStone® lower shelf create a streamlined look for the bath. Solace Vanity is compatible with the brand’s NativeStone Vanity Tops and coordinating sinks. The Solace Vanity is offered in Midnight Oak (a black-colored solid oak finish) and Sunrise Oak (a light-colored solid oak finish), as well as a 30" size for smaller spaces or 48" for a bigger statement.

Solace Mirror in Midnight Oak with Shelf (left), Solace Mirror in Sunrise Oak (right)

Designed to coordinate seamlessly with the Solace Vanity – or command the room as a standalone piece – the new transitional style circular [Solace Mirror](#) has a thick 2” frame that makes for a captivating design statement. The mirror’s clean and contemporary design projects a quiet strength and sense of continuity in the bathroom or serves as a work of functional art in any space. The Solace Mirror is available in two sizes, 22” and 28”, and two finishes – the light-colored Sunrise Oak finish, and the black-colored Midnight Oak finish. The mirror is available with an optional [shelf](#), providing both style and added functionality.

The Solace collection is handcrafted of oak that is FSC certified. This standard ensures that the wood used comes from responsibly managed forests that provide environmental, social, and economic benefits.

About Native Trails

Founded in 1996 by Naomi Neilson, Native Trails was built on the foundation of Naomi’s passion for artisan tradition, sustainability, and fair trade practices to bring the work of undiscovered artisans from central Mexico first to central California and then on to living spaces throughout North America. Combining the artisans’ age-old traditions with contemporary design and sustainable materials, Naomi broke new ground with Native Trails iconic, hand-hammered recycled copper sinks and helped to introduce copper as a mainstay material for the kitchen and bath. Under Naomi’s effervescent leadership, Native Trails has expanded far beyond copper sinks; its artisan-made product lines have grown to include groundbreaking NativeStone® concrete sinks and baths, vanities made of reclaimed wood, furniture, and a range of home decor products. Today, Native Trails leads the industry in artisan crafted, sustainable products for kitchen and bath design; artisan-crafted sinks, tubs, and bathroom vanities are sold in over 1,300 showrooms throughout the United States and Canada. Additional information about the brand and products can be found at www.nativetrailshome.com.
