
NATIVESTONE VARIATIONS | **ASH, EARTH, SLATE**

Hand-formed by artisans using a blend of natural fibers and resilient concrete, each NativeStone piece bears the unmistakable imprint of its maker, a one-of-a-kind expression of craftsmanship.

Subtle variations in hue, texture, and markings - along with other natural imperfections - celebrate the artistry and authenticity that define this handcrafted material.

NATIVESTONE VARIATIONS | **CHARCOAL, PEARL, SAND**

Hand-formed by artisans using a blend of natural fibers and resilient concrete, each NativeStone piece bears the unmistakable imprint of its maker, a one-of-a-kind expression of craftsmanship.

Subtle variations in hue, texture, and markings - along with other natural imperfections - celebrate the artistry and authenticity that define this handcrafted material.

Pearl is unique in that it reflects the colors of the environment it is placed in, e.g. the white finish may appear to be bluer in hue in a small room covered in blue wallpaper.
